

## THE HEALTHY FAMILIES & WORKPLACES ACT (“HFWA”): Paid Leave Rights

### Coverage: All Colorado employers, of any size, must provide paid leave

- All employees earn 1 hour of paid leave per 30 hours worked (“accrued leave”), up to 48 hours a year.
- Employees are required to be paid their regular pay rate during leave, and the employer must continue their benefits.
- Up to 48 hours of unused accrued leave carries over for use during the next year.
- For details on specific situations (irregular hours, non-hourly pay, etc.), see Wage Protection Rule 3.5, 7 CCR 1103-7.
- Up to 80 hours of supplemental leave applies in a public health emergency (PHE), until 4 weeks after the PHE ends.\*

### Employees can use accrued leave for the following safety or health needs:

- (1) a mental or physical illness, injury, or health condition that prevents work, including diagnosis or preventive care;
- (2) domestic abuse, sexual assault, or criminal harassment leading to health, relocation, legal, or other services needs;
- (3) caring for a family member experiencing a condition described in category (1) or (2);
- (4) grieving, funeral/memorial attendance, or financial/legal needs after a death of a family member;
- (5) due to inclement weather, power/heat/water loss, or other unexpected occurrence, the employee needs to either (a) evacuate their residence, or (b) care for a family member whose school or place of care was closed; *or*
- (6) in a PHE, a public official closed the workplace, or the school or place of care of the employee’s child.

### Employer Policies (Notice; Documentation; Incremental Use; Privacy; and Paid Leave Records)

- **Written notice and posters.** Employers must (1) provide notice to new employees no later than other onboarding documents/policies; and (2) display updated posters, and provide updated notices to current employees, by end of year.
- **Notice for “foreseeable” leave.** Employers may adopt “reasonable procedures” in writing as to how employees should provide notice if they require “foreseeable” leave, but **cannot deny paid leave** for noncompliance with such a policy.
- **An employer can require documentation to show that accrued leave was for a qualifying reason only if leave was for four or more consecutive work days** (*i.e.* days when an employee would have worked, not calendar days).
- **Documentation is not required to take accrued leave**, but can be required as soon as an employee returns to work or separates from work (whichever is sooner). **No documentation can be required for PHE leave.**
- **To document leave for an employee’s (or an employee’s family member’s) health-related need**, an employee may provide: (1) a document from a health or social services provider *if* services were received and a document can be obtained in reasonable time and without added expense; *otherwise* (2) the employee’s own writing.
- **Documentation as to domestic abuse, sexual assault, or criminal harassment** can be a document or writing under (1) above (*e.g.* legal or shelter services provider) or (2) above, or legal document (restraining order, police report, etc.).
- **If an employer reasonably deems an employee’s documentation deficient**, the employer must: (A) notify the employee within seven days of either receiving the documentation or the employee’s return to work or separation (whichever is sooner), and (B) give the employee at least seven days to cure the deficiency.
- **Incremental Use.** Depending on employer policy, employees can use leave in either hourly or six-minute increments.

- **Employee Privacy.** Employers cannot require employees to disclose “details” about an employee’s (or their family’s) HFWA-related health or safety information; such information must be treated as a confidential medical record.
- **Records must be retained and provided upon request.** Employers must provide documentation of the current amount of paid leave employees have (1) available for use, and (2) already used during the current benefit year, including any supplemental PHE leave. Information may be requested once per month or when the need for HFWA leave arises.

### Retaliation or Interference with HFWA Rights

- **Paid leave cannot be counted as an “absence”** that may result in firing or another kind of adverse action.
- **An employee can’t be required to find a “replacement worker” or job coverage when taking paid leave.**
- **An employer cannot fire, threaten, or otherwise retaliate against, or interfere with use of leave by**, an employee who: (1) requests or takes HFWA leave; (2) informs or assists another person in exercising HFWA rights; (3) files a HFWA complaint; or (4) cooperates/assists in investigation of a HFWA violation.
- **If an employee’s reasonable, good-faith HFWA complaint, request, or other activity is incorrect**, an employer need not agree or grant it, but cannot *act against* the employee for it. Employees *can* face consequences for misusing leave.

## PROTECTED HEALTH/SAFETY EXPRESSION & WHISTLEBLOWING (“PHEW”): Worker Rights to Express Workplace Health/Safety Concerns & Use Protective Equipment

### Coverage: All Employers and Employees, Plus Certain Independent Contractors

- PHEW covers not just “employers” and “employees,” but all “principals” (an employer or a business with at least 5 independent contractors) and “workers” (employees or independent contractors working for a “principal”).

### Worker Rights to Oppose Workplace Health/Safety Violations:

- It is unlawful to **retaliate against, or interfere with**, the following acts:
  - (1) **raising reasonable concerns**, including informally, to the principal, other workers, the government, or the public, about workplace violations of government health or safety rules, or a significant workplace health or safety threat;
  - (2) **opposing or testifying, assisting, or participating** in an investigation or proceeding about retaliation for, or interference with, the above-listed conduct.
- A principal need not address a worker’s PHEW-related concern, but it still cannot fire or take other *action against* the worker for raising such a concern, as long as the concern was reasonable and in good-faith.

### Workers’ Rights to Use Their Own Personal Protective Equipment (“PPE”):

- A worker must be allowed to **voluntarily wear their own PPE** (mask, faceguard, gloves, etc.) if the PPE (1) provides **more protection** than equipment provided at the workplace, (2) is **recommended** by a government health agency (federal, state, or local), and (3) does not make the worker **unable to do the job**.

## COMPLAINT RIGHTS (under both HFWA & PHEW)

- Report violations to the Division as complaints or anonymous tips, or file in court after exhausting pre-lawsuit remedies.

This Poster summarizes two Colorado workplace public health laws: C.R.S. § 8-13.3-401 et seq., (paid leave), and C.R.S. § 8-14.4-101 et seq. (healthy and safety whistleblowing) including amendments current as of the date of this poster. It does not cover other health or safety laws, rules, and orders, including under the federal Occupational Safety and Health Act (OSHA), from the Colorado Department of Public Health and Environment (CDPHE), or from local public health agencies. Contact those agencies for such health and safety information.

\*In a PHE, employees gain additional hours of leave for inability to work, testing, quarantining, caring for family in such situations, and related needs. No PHE is now in effect; this poster will be updated if one is declared.

**This poster must be displayed where easily accessible to workers, shared with remote workers, provided in other languages as needed, and replaced with any annually updated versions.**
